

Senior Housing

Definitions for Article II.

Senior Housing: An arrangement of dwelling units designed exclusively for seniors as set forth in Article XIII.

Senior: A person at least 62 years of age.

Article XIII Senior Housing.

Senior Housing is a residential use suited to the needs of seniors located close to municipal and social services and facilities, and designed to facilitate independent living with an emphasis on safety and accessibility. The exterior appearance and massing of any structure associated with Senior Housing must be harmonious and consistent with the present character of the neighborhood.

A Senior Housing development must meet all the requirements for a Site Plan Review under section 12.10 as well as the following criteria:

- a) Senior Housing may be located in one or more buildings on a lot or on a portion of the lot within the Lyme Common Zoning District.
- b) No more than two residents at least 62 years old may occupy a Senior Housing dwelling unit
- c) The number of Senior Housing units on a lot shall not exceed ten.
- d) Dimensional Controls such as lot coverage, building footprint, property and road setbacks and gross floor area may be relaxed by the Planning Board through Site Plan Review, based on the character of the land and neighborhood; adequacy of the site to support domestic water supply, water for fire suppression and on-site wastewater disposal; safety of access for vehicles and pedestrians and other characteristics of the site relating to its use and enjoyment.
- e)
 - i. Senior Housing dwelling units may be no larger than 1200 square feet.
 - ii. Common areas shall not be counted as residential square footage within the principal structure.
 - iii. The maximum building footprint and maximum gross floor area of all the buildings and accessory structures on the lot shall not exceed 12,000 s.f.
 - iv. Up to 3,000 s.f. of covered parking dedicated solely to the Senior Housing residents shall not be counted as part of building footprint and gross floor area.
- f) Senior Housing may share a lot or building with other principal uses that are allowed in the Lyme Common Zoning District. The gross floor area of the Senior Housing dwelling

units, common areas and accessory buildings must exceed 70% of the gross floor area of the development on the lot in order for the Planning Board to vary the dimensional controls as described in (d).

- g) Parking may not be located in the front setback and shall be provided on site following the standards contained in Appendix A of the Site Plan Review regulations.
- h) Any building deemed to be a contributing building in the Lyme Common Historic District may be developed as Senior Housing solely through repurposing of the existing structure.
- i) The owner of any Senior Housing dwelling unit is responsible for supplying proof of each of the resident's age to the Zoning Administrator by the last day of January of each year and whenever a new resident occupies a Senior Housing dwelling unit. Upon notification by the Zoning Administrator or any resident of the Town of a failure to comply with this requirement, the Selectboard shall be responsible for enforcement and shall take action within 14 days.
- j) All Senior Housing must comply with all applicable state and federal laws, including but not limited to, RSA 354-A and RSA 161-M.
- k) Senior housing shall not be changed to any other use for 25 years after first occupancy unless such change of use is first approved by the Planning Board.

4.41 Principal Building and Activity on Lots. There shall be only one principal building and one principal activity on a lot unless otherwise approved under the lot size averaging subdivision provision (Section 5.11 D.), the multi-dwelling and conversion provision (Section 4.46), Senior Housing (Article XIII), or the planned development provision (Section 4.49).

5.13 C

- C. Property line setbacks are provided in Table 5.1. In the Lyme Common and Lyme Center Districts, minimum road setbacks for new buildings, additions to existing buildings or replacements of existing buildings shall be no less than the median setback of the five closest buildings on the same side of the street. The minimum setbacks shall not be reduced except in accordance with the provisions of Section 8.20 and Article XIII, Senior Housing.

5.14 D

- D. except as otherwise permitted by special exception in connection with lot size averaging subdivisions (Section 5.11); planned development (Section 4.49); Senior Housing (Article XIII) and expansion of any lawful non-conforming structure in existence when this ordinance was passed (section 8.25).

5.15 E

- E. except as otherwise permitted by special exception for lot size averaging subdivisions (section 5.11 D); planned developments (section 4.49); and expansion of any lawful non-conforming structure in existence when this ordinance was passed (section 8.25); Senior Housing (Article XIII) and

5.16 Gross Floor Area. Gross Floor Areas are provided in Table 5.1. The maximum gross floor area shall be determined by the Planning Board and shall not exceed 14,000 square feet per each lot that would be available to the applicant if the property were subdivided into the maximum number of lots which could be created in a subdivision meeting all of the requirements of the Lyme Subdivision Regulations and this ordinance. Only the principal building in Skiing Facilities Use shall be subject to a maximum gross floor area limitation of 18,000 square feet. For all other uses in the Skiway District, the maximum gross floor area shall be 14,000 square feet. Gross Floor Area for Senior Housing shall be determined by the Planning Board through Site Plan Review as provided in Article XIII.
